We extend a very sincere
"Thank You" for your loyal
support and your continued
generosity.

We extend best wishes to our Schools Communities at Barnashrone and Ballyfin Schools as we get set to reopen for the new School Year shortly. We extend a "Céad míle fáilte" to the children (and families) who will be starting "Big School" for the first time. A big welcome back to all other pupils, parents and families, our teaching, cleaning and secretarial staff and all involved in the running of our schools. Our school in Ballyfin got a serious makeover over the Summer months and some necessary repairs were carried out and is looking very good indeed. Thanks to all who made all this possible. Because of the continuing restrictions imposed on us due to the ongoing Covid 19 Pandemic we will be returning to school with exactly the same protocols and procedures in place as last year, with little or no change to the teaching and learning environment. Please God, this year will see an end to all these restrictions but in the meantime we will continue to be guided by the protocols and guidelines which are still in place and please God we will continue to do our best to keep each other safe and secure over the coming months. Sincere thanks to you and family for your help and kind cooperaton as we continue to journey with, cope with and - live with - Covid 19.
