All-Ireland Pollinator Plan

The All-Ireland Pollinator Plan is an island-wide
attempt to reverse declines in pollinating insects. One
third of our bee species are threatened with
extinction in Ireland. The good news is that you can
help by making your garden pollinator friendly. Every
garden, no matter its size, can be a haven for hungry
pollinators. www.pollinators.ie/top-ten-ways-to-help-pollinators/
