Mon. 11th Feb. is Feast of Our Lady of Lourdes

Established in 1993 by Saint John Paul II the Feast Day of Our Lady of Lourdes, a
different city is chosen each year to host the World Day of the Sick. This year the choice
has fallen on Calcutta in India, and Pope Francis has highlighted the figure of Saint
Teresa of Calcutta as a model of charity who made God's love for the poor and sick
visible. Pope Francis says that those who care for the sick and give of themselves with
generosity and straightforward love - like St. Mother Teresa of Calcutta - are amongst
the Church's most credible evangelisers. In his message for the World Day of the Sick
2019, the Pope focuses on Jesus's words to the Apostles: "You received without
payment; give without payment" (Mt 10:8) Pope Francis urges us to promote a culture of
generosity, noting that the joy of generous giving is a barometer of the health of a
Christian. Mass for the Feast - with Blessing and Anointing of the sick is in
Mountrath Church at 10.00 am today.

We remember in our Prayers.
