Synod News

Bishop Denis and the Diocesan synod team attended a national pre-synodal assembly in Kilkenny on 18th Oct. Building on the synodal conversations of the last couple of years, including last Spring, seven key priorities have been identified for the Church in Ireland, as well as the overarching theme of baptism. Delegates on Saturday explored their response to these priorities and overall theme. They also explored what can be undertaken locally and nationally to begin to actively respond to these priorities as we prepare for a national assembly in October 2026. For more information on these priorities and how they were arrived at, we can read 'Baptised and Sent', the preparatory document for last Saturday's gathering, on www.synod.ie. The year ahead will be an opportunity for each one of us to reflect on the essential question: **What does it mean for me to be Baptised?**
